## Payment

We ask for a deposit of 50% with the balance on completion.

We like to email pictures of the finished units when we are ready to dispatch your furniture and at this point we ask for the balance and a suitable day for delivery.

If you would like to go ahead with this order we take most payments via cheque. We do not bank the cheques until I am about to build your furniture and we give you notice before doing so.

Please make the cheque payable to **Daniel Bateman** and send to the address overleaf.

## Delivery Information for the Larger Items.

The larger items of furniture, Quilters cupboards and Pantries, are delivered and assembled using a man and van service. The driver of the van will need assistance to carry the pieces into the house and then a cup of tea while he puts it all together!

In order to quote for delivery we will need to have your postcode.

## Delivery Information for the Smaller Items.

We use a national company called Pallet Force to distribute our furniture. Each order is carefully packaged using card corners, bubble wrap and cling wrap. The furniture is then securely strapped to a pallet or half pallet depending on size and then couriered to your address. We will notify you which day we are going to send the item and you need to allow 48 hours for delivery (although sometimes they can deliver in 24). There is a number that you can ring for more delivery information about your pallet delivery time 01237 421387.

Every pallet is carefully packaged and seen onto the lorry. Once you take delivery of your item it is your responsibility to check that the goods have arrived safely before signing the docket.

You will need to carefully cut through the plastic straps with scissors and unwrap your parcel; you will also be left with the pallet!

Our delivery charges are-

For a pallet (anywhere in England) £65

This price includes all packaging.

Please ask us for delivery costs if outside of England and we will accurately quote you.

There is no charge if you wish to pick up the items yourself and come to our workshop in North Devon.

## Returns Policy

We offer a full 7 day money back guarantee which covers the full price paid for the item excluding delivery charges. We can arrange for the item to be picked up and returned to us within this 7 day period. Once the furniture has been returned in the same condition it left our workshop in then a refund will be made to you. All refunds are after all delivery charges on the item have been taken off. In the unlikely event that your item/s arrive damaged then we will arrange for the entire pallet to be returned to us for assessment. If the items have been damaged in transit then we will replace the items and send replacements out as soon as we can. We will then pursue the delivery company for our reimbursement. We cannot pursue any claims for furniture which has been damaged by the purchaser in unwrapping the items or for goods being left out in the rain once signed for. You will appreciate therefore that it is very important that you are at home when the delivery is made to make a decision whilst the delivery team are still there. To take advantage of our Money Back Guarantee, we suggest you check that the goods you have ordered will fit through all the openings to the place where you want to put them in your home.
